The purchase price of one Leonberger puppy is Four Thousand Dollars (US) (\$4000.00) to be paid in the following set out payment plan. Of course, full payment is accepted prior to due dates.

1. A reservation fee of \$3000.00 will reserve the Purchaser’s spot on the list for a puppy. Payment made payable to “Harry Jones”. This fee is nonrefundable unless the Seller chooses not to sell the Purchaser a puppy, or if the Seller cannot provide the Purchaser with a puppy. If a wire transfer is preferred, the Purchaser will also need to pay all fees and charges associated with receipt of transfer.
2. Final payment of \$1000 at six (6) weeks of age. Payment made payable to “Harry Jones”. If a wire transfer is preferred, the Purchaser will also need to pay all fees and charges associated with receipt of transfer. If final payment is not received by the time the puppies are 7 weeks of age the puppy will be put up for adoption with no refund of any money paid to this point.

Additions to the \$4000 purchase price are as follows:

1. If the puppy cannot be picked up (or shipped) by the first weekend day after the age of eight (8) weeks, an assessment of \$40.00 per day will be added to the final payment. This is for continued VIP care, training, and socialization provided by the Seller. This fee will only be waived if the Seller’s limitations dictate another date appropriate for pickup (or shipment) due to the health and wellbeing of the puppy, or if a different date is agreed upon by Seller.
2. **Shipping:** If the puppy is to be shipped to the Purchaser, the following is required:
 - a. The Seller will determine whether or not a puppy will be shipped to the Purchaser.
 - b. The puppy will be shipped in the most direct manner, and Purchaser will be required to pick up the puppy from the nearest direct flight airport.
 - c. A “ship fee” of **\$650.00 will be assessed for payment of the flight, aircraft kennel and accessories, services of scheduling the flight, vet visit and health certificate, travel to and from the airport, and time spent waiting with the puppy until his/her flight. **This amount could be increased depending on the actual cost of the flight, which will vary depending on weight of puppy. It is the responsibility of the Seller to notify the Purchaser if such conditions will increase this cost.
 - d. All “ship fees” (\$650) and/plus final payment (\$1000) (this is **exclusive** of the \$3000 deposit) shall be included together equaling \$1650.00, paid to the Seller by the time the puppy is six (6) weeks of age. Payment made payable to “Harry Jones”. This will allow scheduling of flight, health certificates, ordering of crate, etc. If a wire transfer is preferred, the Purchaser will also need to pay all fees and charges associated with receipt of transfer.
3. All fees associated with picking up the puppy are that of the Purchasers.
4. If the puppy is to be returned to the Breeder for any reason, all expenses are the responsibility of the Purchaser.

OWNERSHIP and REGISTRATIONS

1. If puppy is sold as a **“spay/neuter”**, **“pet/companion”** then AKC registration will be marked as **“limited”** and AKC ownership will be transferred completely into Purchaser name. Definition of **“limited”** as defined by the AKC is as follows: Limited Registration means that the dog is registered but no litters produced by that dog are eligible for registration.
Chapter 3, Section 4A of the AKC's Rules Applying to Registration and Discipline states the following: "Limited Registration may be requested for a dog when application for individual registration of the dog is submitted, provided the application, together with a request for such limitation, is filed by the owner(s) of the litter at birth.
No offspring of a dog for which Limited Registration has been granted is eligible for registration. Each registration certificate for such dog shall carry notice of the limitation, and the limitation shall continue, regardless of any change of ownership, unless and until the owner(s) of the litter at birth shall apply to AKC for removal of the limitation."
A dog registered with an AKC Limited Registration shall be ineligible to be entered in a breed competition in a licensed or member dog show. It is eligible, however, to be entered in any other licensed or member event. These events include: Obedience, Tracking, Field Trials, Hunting Tests, Herding, Lure Coursing, Agility and Earthdog.
Limited Registration is determined by the litter owner(s). The litter owner(s) check the Limited box on the AKC Dog Registration Application.
Limited Registration certificates are white with an orange border; the Full Registration certificate is white with a purple border.
Limited Registration can be changed to Full Registration only by the litter owner(s). The litter owner(s) will need to obtain the [Application to Revoke Limited Status](#). That form will then need to be completed and sent to our Raleigh address with the processing fee. After processing, we will send a Full Registration certificate to the dog's owner.
Limited Registration helps breeders protect their breeding programs. If breeders do not want puppies used for breeding purposes, they can request the Limited Registration option for those puppies.
2. If puppy is sold as a **“show/breed”** prospect with Full registration then AKC registration will include Breeder as co-owner in order that the Breeder can safeguard any future breeding practices of such puppy. At any point in time in which Purchaser has obtained approval from Breeder and can provide proof of spay/neuter of the puppy, the Purchaser can pay to have the registration transferred into only their name and Breeder agrees to transfer ownership on the date of Breeder's choice.

BREACH AND/OR WARRANTIES

1. Purchaser's failure to comply with the conditions and terms as set forth herein will result in a breach of contract and the Dog being returned to Breeder at Purchaser's expense. If Dog is permanently returned to Breeder due to lack of compliance by Purchaser, Purchaser will forfeit all monies paid for the Dog and will transfer all registration papers to sole ownership of the Breeder, also indicating the date of transfer to be that in which the Breeder has chosen.
2. Breeder and Purchaser shall be limited to the remedies set forth in this Agreement in the event of a breach of the terms of this contract.
3. The terms of the contract shall be governed by Texas Law.
